Disclaimer

Please do not consider this directory a membership listing. Sometimes mistakes are made and if we were to print a complete membership list it would be a large and costly task. This directory is only a mailing and telephone list.

In this directory, we are **not** including adult children who do not live at home and have been away from home for a while. We will always consider those people members of St. Paul, but they are not included in the mailing and phone list.

The information compiled in this directory came from the church's Church Management System, "Breeze". We asked to update their information in Breeze or to let us know in the church office of their changes.

Please notify the office (701-463-2019) of any address or telephone number changes.
